Notes to client

- During the audit, the Lead Auditor reserves the right to stop the audit in the event when an auditor's health and safety is at risk. The audit shall only be resumed once the issue has been resolved. In a situation where the issue(s) cannot be resolved, the Lead Auditor may abort the audit. This is in line with SGS Stop Work Authority Policy.
- Times are approximate and will be confirmed at the opening meeting prior to commencement of the audit.
- SGS auditors reserve the right to change or add to the elements listed before or during the audit depending on the results of on-site investigation.
- A private place for preparation, review and conferencing is requested for the auditor's use.
- Please provide a light working lunch on-site each audit day.
- Your contract with SGS is an integral part of this audit plan and details confidentiality arrangements, audit scope, information on follow up activities and any special reporting requirements.
